ABOUT CHARACTERS

CharACTers Theatrics was founded in 2007. We are locally and nationally recognized and award winning for our productions of Les Miserables and Disney's Mary Poppins.

The primary goal of CharACTers is to promote cultural curiosity. We want our performances to make a connection to the mind, heart and spirit of our audiences; creating and stimulating a hunger for the experiences only achieved through the arts. As a theatre group in the community, CharACTers largely depends on the commitment and dedication of its many volunteers who donate their time and talent on stage and behind the scenes, from actors and stage crew to box office attendants and family members.

CharACTers Children's Theatre (CCT) is our county's only non-profit performing arts company dedicated solely to children and young audiences, reaching more than 10,000 children, parents, and educators in Etowah County each season.

Our mission is to create prestigious theatrical experiences that transform lives. We believe the magic of theater can educate, empower, inspire, and entertain in unimaginable ways.

CharACTers, Inc. is a 501 (c) (3) Non-Profit Public Foundation. We are both State and Federally recognized as a non-profit organization!

Almost half of our organization's budget comes from your donations. So not only is your gift much appreciated, it's crucial to our continuation. Our contributors are our greatest supporters in our mission to produce exceptional theatrical experiences that inspire and educate students, families, and their communities.

Through our Giving Tree Society, you have the option to support the program that matters most to you. We want you to be able to give to the areas that you are most passionate about. Below are the four core funds that make up our Giving Tree Society.

Education Funds

CharACTers offers multiple educational opportunities to students of all ages, from preschool to senior year. These programs encourage students to develop critical thinking skills, deepen their creativity, and inspire the next generation of leaders. These programs include the Children's Theatre, CCT ELITE Festival Team, CCT FORCE Technical Team, Annual Scholarship to local high school students, CCT Academy, professional workshops and internships.

Community Funds

We believe in spreading the magic of theatre to everyone, no matter their station in the community. Donations to the Community Funds help eliminate barriers to participation by supporting our Theatre Arts Training scholarships, future Sensory Friendly productions, and programming brought directly to at-risk children in our community. Hundreds of tickets are given to local programs such as Big Brothers/Big Sisters and 13th Place.

Art Funds

CharACTers is a nationally award winning regional theatre company with locally recognized high artistic quality. Donations to the Art Funds help support our world-class productions, new play development, musicians, designers, promotional and marketing materials, directors, technicians, and visiting artists.

Dream Funds

Art in any form can become costly. We depend on donations of any kind including material goods or services. Our Dream "Wish List" consists of many items such as batteries, paint brushes, fabric, and much more. A full list of our Wish items can be found on our website.
