

Pretend and Play - Song and Dance

Sing, Dance, Pretend and Play! In this class, your child will sing and dance along to their favorite songs while experimenting with visual arts and dramatic movement. Classes are kept new and exciting and are designed to be repeated as your little performer grows.

Each week features a different song that the whole class will center on. This 10-week class will include songs from your child's favorites such as Mother Goose Club, Disney JR, and Nick JR.

Classes are 30 mins long and will include craft time, singing, dancing, and games.

At the end of the 10-week session, students will showcase what they've learned for family and friends.
