

# *The ART of Theatre - Ages 10-14*

Explore the visual elements of theatre including costumes, makeup, and set design. Each student will be given a theme to follow to create their own portfolio by creating designs for a production.

During the course of this 10-week class, students will learn how to dream up, design, and create their own projects for an upcoming production.

Classes are 60 mins long and will include instruction in Scenic

Design, Costume Design, and Makeup Design. At the end of the 10-week session, students will be able to showcase their work for family and friend to view.
