

Theatre FUNdamentals - Ages 8-12

For students with no or little theatre experience but have a desire to grow as a performer.

During the course of this 10-week class, students will learn the basic elements of theatre including audition techniques, memorization, blocking notation, and frequently used theatre terminology.

Classes are 60 mins long and will cover a variety of topics throughout the semester. Classes will also include special days including a Dance Day, Music Day, and Theatre Tour Day.

At the end of the 10-week session, students will be able to present a short scene for friends and family.
